

TWO-DAYS VIRTUAL WORKSHOP ON IMPLICATION OF CSR AMENDMENT RULES ON CSR GOVERNANCE, COMPLIANCE AND REPORTING

February
16 & 17, 2022

The recent Amendment to the Companies Act, 2013 called the “Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021” further have fortified the Government’s intent to address a variety of segments such as improved oversight, governance, compliance and greater transparency. In addition, it intends to create reliable frameworks, increased focus on impact creation, increased rigor for internal control and prescribed solutions for unspent amount, excess spends and penalties for non-compliance. It is a year now, since the Amendments have been mandated and the corporates have to complete their compliance and reporting on the basis of these Amendments in a matter of month. In order to facilitate the corporates to complete their compliances and reporting in consonance with the CSR Amendment Rules, Two-day Virtual workshop is being organized by International Centre for Socially Responsible Businesses (ICSRB)
